## 1. ELECTRONIC DELIVERY & SECURE MANDATE

This Agreement is delivered electronically to the secure email addresses registered above. The Signee acknowledges that delivery via DocuSign to their designated email account constitutes valid delivery of written legal notice. Each party is solely responsible for maintaining secure access to their email system to protect the integrity of the execution process.

## 2. PURPOSE & NON-DISCLOSURE

The parties wish to explore a confidential business collaboration. Under this Agreement, the Disclosing Party may share proprietary technology, intellectual property, product designs, or commercial strategies. The Receiving Party agrees:

- To keep all received information in strict confidence and prevent unauthorized third-party access.
- To use the Confidential Information solely for evaluating the business partnership.
- To notify the Disclosing Party immediately in writing upon discovery of any unauthorized disclosure or data breach.

### DocuSign® Dynamic Signing Requirements:

To complete this transaction, you are required to **Enter Your Printed Full Name** and **Provide Your Electronic Signature**. Your IP address, timestamps, and verification audit trail will be permanently affixed to the final completed certificate of execution.

### 3. TERM OF PROTECTION

---

The obligations of non-disclosure and restricted use under this Agreement shall survive for a period of five (5) years from the date of final electronic signing. Either party may terminate the active discussions with ten (10) days' notice, but confidentiality provisions will remain in force.

### 4. EXECUTION & AUTOMATED ROUTING

---

Upon execution of this electronic document, DocuSign will automatically route an official, unalterable, cryptographically signed PDF copy of the finalized agreement to all registered email addresses. This electronic document constitutes the entire contract and supersedes all prior communications.

### 5. REQUIRED INPUTS & EXECUTION

---

Please execute this document below. The embedded anchor tags will dynamically prompt for your printed name and digital signature upon opening this document in DocuSign.
