

Employee Privacy Policy

1. Purpose

This policy establishes the standards governing the collection, use, storage, protection, and disclosure of employee information throughout the employment relationship while supporting legal compliance and responsible data management.

2. Scope

Applies to employees, contractors, consultants, interns, temporary staff, and any individual performing services on behalf of the Company.

3. Information Collected

Information may include identification details, contact information, payroll records, tax documentation, banking information, employment history, performance records, background checks, and system activity.

4. Use of Information

Information is used for payroll, benefits administration, workforce management, legal compliance, security, and legitimate business operations.

5. Disclosure

Information may be shared only with authorized providers, regulators, auditors, legal advisers, and business partners where required.

6. Monitoring

Company devices, systems, email, and network resources may be monitored where permitted by law to maintain security and policy compliance.

Employee Privacy Policy

7. Data Security

Administrative, technical, and physical safeguards are implemented to protect information from unauthorized access, misuse, disclosure, or loss.

8. Data Retention

Records are retained only as long as necessary to satisfy legal, regulatory, and operational requirements before secure disposal.

9. Employee Rights

Employees may request access to or correction of certain personal information where permitted by applicable law.

10. Confidentiality

Employees must safeguard confidential information and use it only for authorized business purposes.

11. Policy Revisions

The Company may revise this policy periodically to reflect legal, regulatory, operational, or technological changes.

12. Employee Acknowledgment

I acknowledge that I have received, reviewed, and understood this Employee Privacy Policy and agree to comply with its provisions.
